### Sören Bollmann

**Nationality:** German

**Residence:** Frankfurt, Germany

**Languages:** German, Polish, French, English

**Areas of expertise:**

- Business coaching
- Cultural diversity
- Public administration

## Corporate and Management Experience

Founder of BOLLMANN & PARTNER Frankfurt Oder Poznan (2000), Sören heads a team of ten German-Polish business and public administration consultants and trainers. He combines ten years of consulting and training experience with a wide knowledge of today's Poland. Sören is both, personally engaged in German-Polish cooperation and able to keep professional distance and neutrality. His strong point is to lead groups towards common goals and activities and a sensitive and integral management coaching.

Sören specializes in training and coaching following a systemic approach as well as in leading Future Workshops.

## Coaching and Training Approach

Sören's personal approach is one of focusing on clients' strengths and hereby enabling them to solve their problems and to meet their challenges their own unique way. He mainly offers individualized coaching, team training workshops and intercultural train-the-trainer programs.
